

Family Fun Home Activities from Room 10

Week of 4/13/2020

TIP SHEETS FOR PARENTS

- Screen Time ([English](#)) ([Spanish](#))
- Time to Play ([English](#)) ([Spanish](#))

ART

[Listening Station](#)

Set up a listening station where your child can listen, dance, draw, and play along with the music.

MATH

[Build High](#)

Have your child measure the towers they are building. Discuss with your child how they might build higher and stronger.

SCIENCE

[Bathtub Science](#)

Gather water toys and containers of different sizes and shapes and put them in the tub with your child.

PLAY

[Dress Up and Pretend](#)

Gather clothing and accessories your child can use for pretend play. Let your child take charge of the play. Pretend play helps children feel more independent and connected to the world around them.

READING

[Tasty Traditions](#)

Introduce your child to family and cultural traditions. Look through cookbooks or online for a recipe and talk about your own family's favorite or traditional foods.

WRITING

[My Favorite Dinner](#)

Have your child draw a picture of their favorite dinner food and write or dictate a sentence about the food.
