

## **Family Fun Home Activities-Week of 4/27/2020**

### **ART**

#### **Bubble Art**

Add food coloring to bubble solution or dish liquid soap. Pour a small amount of the liquid in a bowl. Use a bubble wand, a thick hair elastic or small round container you can cut the bottom off. Dip object in solution and blow close to a white piece of paper. Make predictions of what colors they think will show up on paper better than others. Discuss why they think that might happen.

### **MATH/SCIENCE**

#### **Comparing Weight**

Demonstrate how to use the balance or homemade scale. Let children compare objects and guess which one is heavier. Share pictures of the homemade scale you make. We love to see your creativity

### **LETTERS AND LETTER SOUNDS**

#### **Letter Sort**

Help children sort letters with straight lines and letters with curved lines

#### **Word Play: Rhyming Words #1**

Children listen to rhyming words. Now start to make up your own rhymes. Use Dr. Seuss books or video's to listen for a rhyming word. Write down words that rhyme with cat, then dog. Which list has more??

## **Play No Cook play dough**

### Materials

A large mixing bowl

1 cup water

4 cups flour

2 to 4 tablespoons cooking oil

1 1/2 cups salt

Food coloring (mix them to make different colors)

Glitter

### **READING**

Using a Dr Seuss book or another story with rhyming words. Read the story pointing out some words that rhyme. Then ask did you hear any words that sound similar on this page?

### **WRITING**

**Matching upper and lower case letters. Write letters on paper squares, lay them out on the floor. Try to find the lower case letter to match the upper.**
