

Week Two

Art

[Ice Art](#)

Explore art and science with your child. See what happens when she paints a picture with frozen colored ice cubes.

Math

[Cooking with Math](#)

When your toddler helps you cook, he's also learning math!

Science

[A Windy Day](#)

Go outside on a windy day. Help children become aware of things being moved around by the wind.

Letters and letter sounds

[Draw and Write Together: My Favorite Dinner](#)

Have children draw a picture of their favorite dinner food and write or dictate a sentence about the food.

Play

[Dress Up and Pretend](#)

Play pretend! Help your child work out feelings and emotions, develop creativity, and more as you act out different family roles together.

Reading

[Favorite Book Game](#)

Have children work in pairs or small groups. Ask one child to choose his or her "favorite" book from the class library and "read" to the other children.
